Date: June 16, 2026 | Venue: Van der Valk Mechelen | Time: 10.30 - 18.30
Address: Rode-Kruisplein 1-4, 2800 Mechelen

Timing	Sessions
10.30 - 12.00	**Discover CCH Tagetik- Consolidation, Management Reporting & Planning** (Separate registration required) *This **in-depth, demo** is designed for finance professionals who are **new to CCH Tagetik** and want a complete view of its end-to-end performance management capabilities. You'll see how a **single, integrated platform** supports **planning**, **budgeting**, and **forecasting**, streamlines **management reporting** and analysis, and handles **legal consolidation** with confidence and control.* *Louise Gesquiere, Performance Management Architect - element61* *Miriam Vencken, Principal Performance Architect - element61*
12.00 - 13.00	**Walking Lunch in the Networking Area**
13.00 - 13.15	**Welcome and Introduction** Introduction of element61 & CCH Tagetik and **highlights of 2025 - 2026** *Frederic de Schutter, Partner Performance Management - element61* *Roel Haverland, Managing Director - CCH Tagetik*
13.15 - 14.00	**S1. CCH Tagetik Product Roadmap: What's coming next ?** We kick off with an **inspiring preview** of where CCH Tagetik is headed and **what's coming next**. This session unveils **key innovations, strategic priorities,** and **upcoming enhancements** shaping the future of the platform. Discover how the roadmap aligns with **market trends** and customer needs to **drive smarter, faster**, and more **impactful finance performance**. *Fabrizio Tocchini, VP of Product Management - CCH Tagetik*
14.00 - 14.45	**S2. Unlocking More Value from CCH Tagetik's latest Innovations** After a **short CCH Tagetik platform intro** we will walk you through **recent enhancements** that can help you to maximize the value of your CCH Tagetik environment. Novelties that will be covered are the **thread based collaboration, multiple homepages, process cockpit migration, restatements, ask AI anomaly detection** *Gerd Janssens, Solution Architect - CCH Tagetik*
14.45 - 15.30	**S3. From Roadmap to Results: How Exmar Unified Planning and Group Reporting with CCH Tagetik** **EXMAR**, a leading player in the transport of liquified gas products embarked in 2023 on an ambitious transformation to become a truly data-driven organization. Together with element61, they conducted a comprehensive roadmap exercise spanning financial, operational, and strategic reporting — ultimately selecting a **modern data platform** built on Databricks and Power BI, complemented by **CCH Tagetik** as the backbone for **Corporate Performance Management**. Today, EXMAR runs its full **budgeting** and **planning** cycle via CCH Tagetik and produces consolidated group figures directly from the platform. The result is a highly structured way of working, with significantly stronger business ownership of the numbers. In this session, we share insights from this end-to-end journey and what it truly takes to bring finance and business together around a single source of truth. *Dimitri Van den fonteyne, Head of Controlling - EXMAR* *Bjorn Van Damme, Partner Performance Management - element61*
15.30 - 16.00	**Coffee Break**
16.00 - 16.30	**S4. Plan faster, smarter and more intuitive with CCH Tagetik and Planning Sentinel** This session shows how **modern FP&A planning** is becoming more **agile** and **collaborative** through **flexible models** and **fast scenario versioning**. You'll see how decentralized teams can extend centrally governed plans without losing control. It also highlights **embedded AI capabilities** such as **Planning Sentinel** that help finance teams monitor drivers, test scenarios continuously, and make faster, human-led decisions. *Felipe Fonseca, Solution Architect - CCH Tagetik*
16.30 - 17.00	**S5. Advanced Management Reporting & Analysis with CCH Tagetik** Experience a live demo that reveals how CCH Tagetik **transforms management reporting** with **built-in intelligence** at every step of the **data journey**. See how **machine learning**, **generative AI**, and native Microsoft **PowerPoint integration** come together to **unlock powerful insights** and **streamline storytelling**. Walk away inspired by how finance teams can move **faster**, work **smarter**, and communicate results with **real impact**. *Bjorn Van Damme, Partner Performance Management - element61*
17.00 - 17.30	**S6. Realizing Value with CCH Tagetik: Customer Perspectives and Future Focus** Together with our **customer panel,** we will dive into how organizations are **creating value through** their **CCH Tagetik** collaboration and where they **see priorities evolving in the coming years**. **Live polls** with the audience will enrich the discussion and **provide real-time insights** from the room. *Customer panel* *Kimberley Pacini - Kroon, Account Executive - CCH Tagetik* *Frederic de Schutter, Partner Performance Management - element61*
17.30 - 18.30	**Wrap-up & Networking Reception**
18.30 - 21.00	**Optional BBQ for all CCH Tagetik Enthusiasts**
